

# September News

Aloha Parents!  
 A few friendly reminders:  
 Your child is responsible for completing the Morning Check-In form before 8:15 a.m. This is the only way for me to take attendance and a lunch count. Please ensure that the area your child is working in is free from distractions and is adequately lighted. I am beginning to see children lying down in their beds or hidden in the shadows. Class WebEx meetings are daily, except for Wednesdays. Your child should at least join in for the beginning of each lesson in order to receive proper instructions. They are free to log off afterwards or log back in when needed. Thank you for your continued support at home.  
 Have a wonderful week!

*Mrs. Remata*
